

## MR. BACON AND HIS CONTINUING SAGA

Volume II, Issue 1  
January 2007

Seems the competition to possess me is heating up - there's a lot of "trash talk" going on between the chapters now! AWESOME!! I can understand everyone wanting me! I mean "MR. BACON" - who wouldn't want me?!?!

Seems that now that Space Coast has re-joined the competition, they've joined in fiercely competitive! Their director even tried to talk Orlando out of keeping me!! Course, that would never happen! Here's what Space Coast HOG had to say recently.

### Bringing back the HOG... sigh....one day

By Jan Boileau Space Coast Hog Secretary

Alas, it was not to be. Although technically we had the numbers, the rules had been changed. It seems Seminole Harley often had the largest numbers and the powers that be decided in all fairness the game had to change. For every five physical bodies signed in, the chapter was eligible for one ticket which would be thrown into a bucket. We qualified for 'NINE' Oinker chances. The Orlando chapter threw in five and their Oinking luck was with them. Georgia (Space Coast Director) made a valiant effort to lure it away from them but they were really Hogs about keeping it to themselves.

Remember, it's not the destination, but the ride, and the ride was gorgeous. A few hardy souls bundled up to meet at 7:30 at Denny's at Wickham road. What a pleasant surprise to see so many bikes we needed four road captains to lead along with sweeps. 44 was the final count after meeting up with our Northern group at McDonalds in Titusville. Everyone seemed to enjoy the route we took which ended up on Lakeshore Drive in Howey-in-the-Hills. A truly scenic route. Food was on site and pretty fairly priced at all you could pile on your plate. Some of us made, well, Pigs of ourselves. The ride was cool coming and going weather wise, and everyone stayed bundled up for the return home.

- Lake County won me back October 2006
- Orlando scores the HOG in December to start out the new year with me, Mr. Bacon
- Lake County is presented the plaque for most possessions of the HOG in 2006, winning three times
- Orlando has Mr. Bacon for the first time in 2007 and will be hosting the Traveling HOG competition February 24

## aveling HOG Rules:

There will be a ride every two months to bring home the bacon! The more riders, the better the chance of winning! If you keep Mr. Bacon the most during the year, you win a plaque. This is an inter-chapter competition and it originated with the Daytona HOG Chapter. The Daytona chapter will continue to be the overall administrator of the central Florida Traveling HOG program. The rules to WIN are:

### Rules for 2007:

- The Traveling Hog competition will be run on a 12-month schedule and all competitions have been scheduled for the year at the inter-chapter meeting in January 2007.
- Normally held at the hosting chapter's dealership, unless another location is agreed upon by the hosting chapter and its dealership.
- The Traveling HOG drawing will be held at 1:00 p.m. with a 12:50 p.m. cut-off for sign-in. Beginning and ending times for the Traveling HOG event are at the discretion of the hosting chapter.
- The 50/50 drawing will be held in conjunction with the Traveling HOG drawing at 1:00 p.m.
- The existing Traveling Hog trophy (Mr. Bacon) will continue to be used, as will a plaque for the year end's winner of who had the trophy the most.
- Additionally, a Log Book will be provided so that each winner of the trophy can record (written and pictures) the travels of Mr. Bacon. As of June 2006, [Lea, Editor & Webmaster - Daytona](#) has created "[The Traveling HOG Chronicles](#)" and if you'd like, you can send your stories and pictures to her to add to the newsletter, attached below. This makes it much easier for everyone to get to see his majesty's pictures, since he's so insistent on becoming even more famous than he thinks he already is!
- The trophy and log book will be turned over at each drawing to the new winner.
- Winning of the competition will be based upon the drawing of a ticket. Tickets will be obtained in the following manner:
  - One ticket issued for every one (1) to nine (9) valid chapter members present, two (2) for 10, three (3) for fifteen, etc.
- Chapter members can only sign in for one chapter
- Signing in will be on the Honor System
- **The hosting chapter is NOT eligible for that month's competition**
- If the sponsoring chapter has other chapter obligations, then one member of that chapter needs to be designated to be ready to run the competition and turn over the Traveling Hog to the winner.
- The winning chapter must announce the time and place (should it not be at its dealership) no later than one week after winning the traveling HOG.
- It is expected that the hosting chapter will also conduct a 50/50 drawing with 50% of the proceeds being retained by the hosting chapter.
- All National HOG rules that pertain to conducting a HOG event apply at the competition, up to the time that the next winner of the Traveling HOG is announced.
- The Daytona chapter will continue to be the overall administrator of the central Florida Traveling HOG program.
- Chapters considered to be members/participants of the central Florida HOG chapters include the following chapters: St. Augustine, Daytona, Seminole, Space Coast, Orlando, Clermont, Lake County, Ocala and Polk County.
- If for some reason there is no winner at a competition, the chapter in possession of the traveling HOG retains it until the next month's competition.

## Traveling HOG.... a.k.a. Mr. Bacon

The competition held every two months for the Traveling HOG, also known as Mr. Bacon, gets pretty fierce between the riders of the central Florida HOG chapters. Mr. Bacon (being held by Matt) is a highly prized award - won purely by luck - but having a larger number of riders at a meet does help gain more tickets....but the luck of the draw - as they say, "it only takes one winning ticket".

There will be a ride every two months to bring home the bacon! The more riders, the better the chance of winning! If you keep Mr. Bacon the most during the year, you win a plaque. This is an inter-chapter competition and it originated with the Daytona HOG Chapter. The Daytona chapter will continue to be the overall administrator of the central Florida Traveling HOG program.

### THIS IS MY STORY.....

TRAVELING HOG A.K.A. MR. BACON

There's a million stories in the city....and mine is just one of them.

And I'm doing my best to tell you all of my stories....so please add any of your stories of time you spend with me to this for me (I skipped school a lot and can't write very well). But just know that if you ask me, I'll certainly tell you what to say and how to write it.

My life began at, of all places, the Florida State Rally November 2003 when I had the chance to go home with Daytona's Director John Lyon when Daytona began the Traveling HOG tradition and rivalry. As you read through my Chronicles here, you'll see that I've gotten to do quite a bit of traveling. And we have some members who are some really awesome writers telling

my stories.

So, if your chapter has me - and you're planning a great trip....please be sure to take me along and take lots of pictures!! I am, after all, a real camera HOG!! :)

And this is me....Mr. Bacon - aka (also known as) THE TRAVELING HOG!
